Dated: 12th December 2025

To

The Additional Chief Secretary,
 Rural Development and Panchayati Raj Department,
 State Government of Rajasthan,
 Jaipur

Subject: Proposal for providing additional time to complete the ongoing Awaas+ 2024 survey for identification of additional eligible rural households under the Pradhan Mantri Awaas Yojana- Gramin (PMAY-G) - regarding.

Sir,

I am directed to refer to the State Government's letter No.00299 dated 09.12.2025 seeking additional time for Awaas+ 2024 household survey of left-out eligible households in various Gram Panchayats in several Districts of the State.

2. In this regard, considering the request made by the State Government, the Competent Authority in the Department of Rural Development has decided to grant additional time of 7 days from the date of issue of letter till **18th December, 2025** to the State Government of Rajasthan to complete the Awaas+ 2024 household survey process and identify all the eligible households in the Gram Panchayats mentioned in the list enclosed with their letter dated 09.12.2025.

3. The State Government is accordingly requested to identify the eligible rural households in the Gram Panchayats concerned, within this extended timeline and complete the survey using the Awaas+ 2024 Mobile Application of this Ministry. It is informed that all the modules of Awaas+ 2024 mobile application like verification, checker and deletion would run also on these additional households once the State marks the GPs, as survey complete or after closure of this window. **It may also be noted that no further extension in timeline would be granted by this Department.**

Yours faithfully,
